KNOWLEDGE & SKILLS

- **INTERACTION DESIGN**
Figma, Sketch, Adobe Xd, Photoshop, Marvel, user-centered methods, universal design, color theory
- **WEB DEVELOPMENT**
HTML, CSS, Bootstrap, WordPress, Joomla, SEO, some JavaScript, PHP & MySQL
- **SOCIAL**
Native Finnish speaker and very fluent in English with very good technical vocabulary, plus decent understanding of Norwegian and Swedish. At this point I probably have more foreign than Finnish friends. Technical customer service and project teamwork are also very familiar to me.
- **HOBBIES**
Disc golfer, fitness enthusiast, gadget geek, film connoisseur, video gamer, and traveler. I have an endless thirst for knowledge and self-improvement. I also dabble with photography and video editing sometimes. My music taste nowadays is broad, but metal is still closest to my heart.
